

# Operationalise the coordination

- LPO, LPO-PACA, Vautours en Baronnie, Green Balkans, GREFA, VCF, AMUS
- Common letter to all Juntas and MAGRAMA with needs: 2014-2016 we need minimum of 30 birds year to complete 2 ongoing projects, fifty/fifty; 2017 onwards plan is to invest on two new reintroduction projects – Bulgaria and Burgos
- Then follow up will be done by
  - i) Extremadura – VCF (and AMUS)
  - ii) Andalucia?
  - iii) Rest of Spain (Madrid, CyL, others) – GREFA
  - iv) France - LPO
- Holding birds: Rest of Spain – GREFA (budget accordingly); Extremadura and Andalucia - AMUS? (budget accordingly)

# Operationalise the coordination (cont.)

- In general, Extremadura birds for France (and from 2017 onwards to Bulgaria), rest of Spain to Bomort? BUT...
- Communication: VCF and GREFA support black vulture reintroduction projects. Both organisations mentioned in all communications texts for Bomort and France
- All information centralised in a database at VCF, VCF facilitates the group, in term of communication and summaries (international, language)
- Vulture transports – to Bomort – GREFA; To France (shared between VCF and GREFA? 2014 GREFA, 2015 VCF? Or do we do it together?)
- LIFE Bulgaria – who is partner? LIFE in Burgos – who is partner?
